

WORSTED COWL 200gms 5st/#7 (label gauge) wool one size
 GAUGE 4.5 sts/in 6 rows/in NEEDLE 24" CIRC #8 (and an extra 24" 6-7-or-8)
 this is an expanded, worsted version of Amelia Lyon's "Willow Cowl" in fingering - see Ravelry

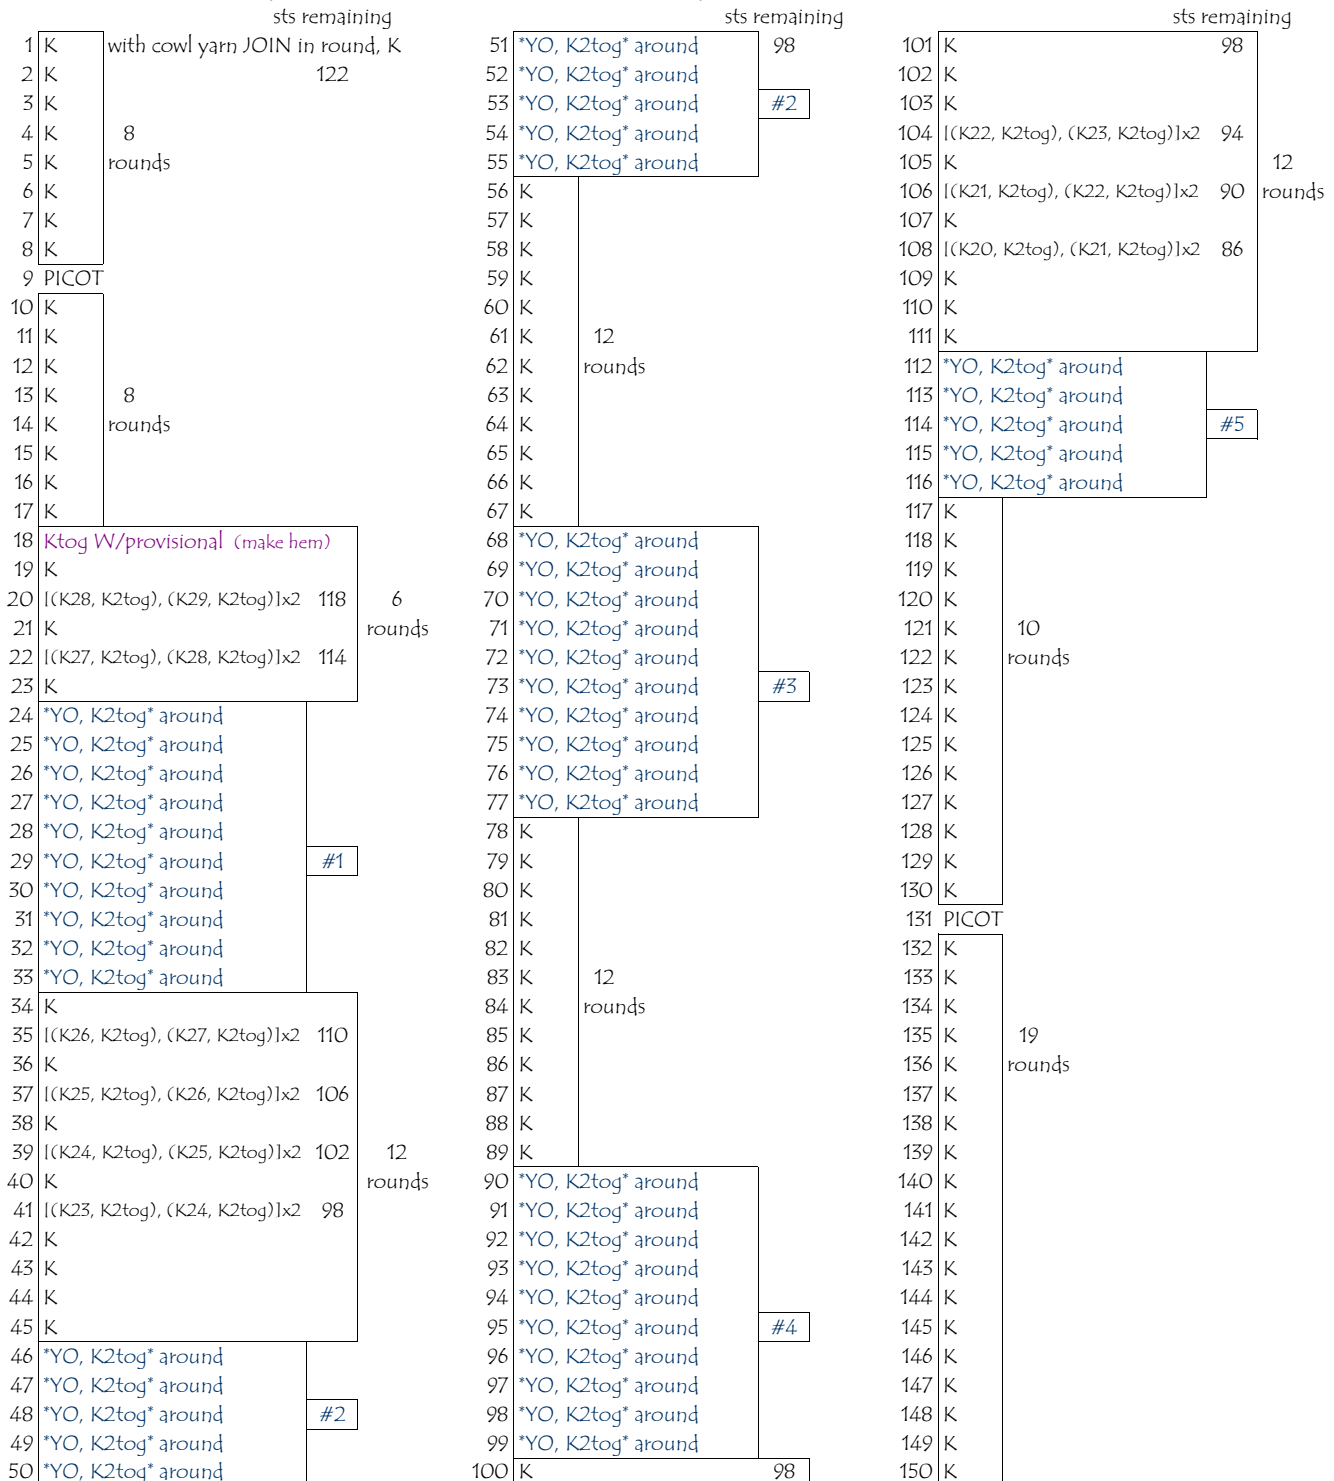

WORKED IN THE ROUND

STITCH PATTERN: *YO, K2tog* around (10 row pattern 4 times, 5 row pattern once)

PICOT ROW: **YO, K2tog** around

K2tog W/provisional: (round 18) remove waste yarn from cast-on putting live stitches on an extra circular needle. With RS of last round facing, fold fabric to bring extra needle up in back of working needle. K 1 stitch from each needle together around.

crochet chain or desired type of PROVISIONAL CAST ON 122 (in waste yarn)

NOTE: you'll never get mixed up on the YO-K2tog rounds if you make sure that the 1st stitch in the K2tog is the YO from the previous round

TO FINISH: Fold cowl on picot row
 On inside of collar where hem will be attached, put a round of purl bumps (86) knitwise on an extra circular needle. 3 needle bind-off all stitches.
